

STICK LIGHT SERIES

SLM401R

400lm rechargeable LED stick light

Compact and ultra-slim design makes the stick light series comfortable to carry in the pocket ready at hand for the daily inspection tasks.

High Efficiency LED

- Front COB LED provides light with up to 400lm
- 100lm top high-power LED lamp can be used as a flashlight for narrow work areas

Multi-functional Design

- Strong built-in magnets for handsfree use
- Glow-in-the-dark fluorescent reflector makes lamp easy to locate in the dark
- An intelligent fuel gauge keeps you informed about battery level
- Light will flash as a low power warning prior to the battery running out
- IP54 dust and water resistant

Brightness Memory Function

- Setting is recorded after 5 seconds of activation
- Recorded setting is recalled next time the device is activated
